1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

-In line 4 of claim 14, replace the term "CV" with "CVD".

2. Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance:

-The prior art of record fails to either singularly or collectively disclose a process for forming an STI structure in the surface of a Si substrate in which an insulating film is used to cover every portion of a trench etched into the surface of the Si substrate with the exception of the corners of the trench which are then selectively etched to the insulation film.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
